Waiver Of Legal Rights:

I recognize that hang gliding and paragliding are potentially dangerous activities and that by engaging in hang gliding or paragliding activities, I could suffer injury and/or death. I hereby acknowledge that I will take full responsibility for and hereby waive any and all claims for any injury, damage or loss that I may suffer while on or above any property used, operated, managed, accessed or insured by the Telluride Air Force (TAF), or the USHPA, or any other property where I may engage in any hang gliding or paragliding related activity. I further waive any and all claims and legal rights of any kind which I may have related to any accident, injury, damage or loss I may suffer as a result of engaging in any hang gliding or paragliding related activity on or above any of those properties, whether or not such accident, injury, damage or loss is due, in whole or in part, to the negligence or intentional act of any person or entity. I further acknowledge and agree that the foregoing waivers shall be binding on my heirs, survivors, successors, personal representatives, and estate. I have read, understand and will comply with the TAF site rules and equipment requirements. I hereby acknowledge and agree that in order to pilot a hang glider or to kite or pilot a paraglider at any TAF insured site, I must and shall be a current member of USHPA with an appropriate rating for the site and the activity that I am engaged in. Furthermore, I understand that to be a member of the TAF, I must and shall also be a current USHPA member and a rated pilot of the aircraft that I pilot. I, therefore, hereby acknowledge and agree that I shall not kite or pilot a hang glider or paraglider on or above any of the properties identified above unless I have a current TAF membership, a current USHPA membership, and an appropriate rating for the site and the activity I am engaged in. I hereby acknowledge and agree that this document constitutes a full waiver of my rights as stated and I hereby affirm and agree that neither I nor any other person or entity on my behalf, shall initiate or pursue any legal remedy against any property owner, TAF, USHPA, or any other person or entity against whom claims have been waived by this document. I further acknowledge and agree that this document shall not be deemed to limit, amend or revoke any waiver or release that I have granted or that I may grant hereafter to any other property owner, person or entity.
